This wine, soon to be released to the LCBO general list is an incredible value! Grown at the highest elevations of the island, it delivers nectarine, citrus, green apple, hints of honey and salty minerals. Dry, Assyrtiko’s crystalline acidity helps carry the long finish. There is enough power here to pair with fish, poultry and even pork. For this price, make sure to pick up a few bottles. (ES)

This wine is a worthy successor to the fabulous 2012! Full bodied, this oak aged Assyrtiko exudes toast, peach, pineapple, citrus, red apple, honey, anise and bay leaf. The palate is a combination of cream and acidity with a brilliant finale. Singular superb Santorini! (ES)
